"Pure Jet" is an un-raced, 8-year old brown stallion with an excellent disposition, excellent mind, mouth, work ethic and not to mention speed. His pedigree speaks for itself and reads like a "who's who" of modern racing Quarter Horses. He has been used in the team roping pen as a heading horse and as a heeling horse and has been started on barrels and does very well in all those events. "Pure Jet's" first offspring are just being ridden this year and are smart and athletic and he has passed on all of these very desirable traits. BIRDWELL PURE JET stands at stud at Prairie Glade Performances Horses just north of Sterling, Oklahoma for a regular fee of \$500, but as an OKLAHOMA HORSE FAIR special during the month of February, he will be available for a stud fee of \$300 with a 1/2 price discount for AQHA youth, 4-H, and FFA members. Mares who breed to him this year will be allowed to return next year at the same fee. He is also registered as an eligible sire in the American Paint Horse Association and Appaloosa Association.
