If there be no advance, the horse shall go to the person from whom the auctioneer recognized as the last bid. The auctioneer will decline any bid made by parties who have defaulted in former purchases, or by persons who, in his judgment are not responsible bidders. Title and Risk of Loss: Title to and risk of loss pass from Consignor to Buyer immediately after the horse is struck down by the auctioneer. This shall especially be the condition in the case of illness, injury, or death of any horse after it has been sold. The Buyer agrees to indemnify and hold the Consignor, Western Heritage Sales Co., Oklahoma Horse Fair, harmless from all loss, cost and expense arising from the illness, injury or death of a horse or loss or damage to property and injury or death of persons caused by the Buyer, the Buyers agents or employees or by the horse after the horse has been purchased.

Removal of Horses: All horses must be removed from the auction sale grounds by no later than 12 p.m. on the day following the sale. Failure to remove the horse for any reason will obligate the Buyer to pay all costs associated with board and transportation of the horse.

Caution: Everyone attending this sale agrees to save and hold harmless and indemnify Western Heritage Sales Co., Oklahoma Horse Fair, its agents, employees, and agents thereof, from any and all responsibilities, liabilities, obligations, claims or legal proceedings arising from any accident that may occur to horses, equipment, or for loss by fire, theft, or injury or death to any human or animal in any way or manner.

Catalog Errors: Every effort has been made to assure correctness of the sale catalog. However, the sale management, auctioneers, and announcers are not responsible for errors or omissions, and assume no liability on its part or on the part of Consignor as to any statement made by the Consignor which are printed in the catalog on behalf of Consignors. We have used him to pony race horses on in the morning and during the races. Really handy broke. Will watch a cow and a dream to sort of. He's been hauled to US and World Series ropings as well. Lots of money has been won off this horse.
